BUSINESS HOURS:

8:00 am to 5:00 pm Monday through Friday,
Saturday by appointment only and, closed Sunday.

PHONE ORDERS:

You must have the part number(s) to place an order.
Phone orders are accepted Monday through Friday
between 8:00 am to 5:00 pm. We are often available
on Saturdays. **ORDERS ONLY 800-728-0762**
Technical questions 517-676-4416
(NO COLLECT CALLS.)
24 Hour Fax Ordering 517-676-3485

.....

SHIPPING, INSURANCE AND HANDLING COSTS:

The following charges are for items shipped in the
United States (except Alaska, Hawaii and foreign
orders.) **Minimum shipping \$10.00.**

\$0-30.00.....add \$10.00 for shipping

\$30.01-50.00.....add \$9.00 for shipping

\$50.01 and upadd 9% for shipping

Small orders can be mailed to save you on shipping.
**Large light items will have oversize charges added
which can significantly increase the cost.**

PAYMENT:

Yesteryear Ford Parts accepts checks, money orders,
Visa, Mastercard, Discover and C.O.D. (cash on
delivery).

There is a \$11.00 charge for C.O.D. orders.

PRICES:

We try to maintain prices as listed but due to the
rapidly changing market, we reserve the right to
change prices without notice.

SALES TAX:

All items picked up at the store or shipped to an
address within Michigan are subject to 6% sales tax.

TRUCK ORDERS:

Parts too large for U.P.S. will be shipped by truck
freight collect. All truck orders must be paid for in
advance, no C.O.D. orders.

RETURNED ITEMS:

We will replace any defective parts or parts shipped
in our error. All other returns must be returned within
30 days of the shipping date. The returned parts are
subject to a 15% restocking charge. All returned items
must include a copy of the original invoice.

NO RETURNS AFTER 30 DAYS.

FLAT HEAD SPEED EQUIPMENT

Finned Aluminum High Compression Cylinder Heads (Offenhauser)
 HR-1069 1949-53 Ford and Mercury engines 600.00 pr.

Chrome Acorn Head Nut and Intake Nut Covers

IN-6520-C intake nut covers 9/16" bolt head 15.00 set/20
 CN-6067-C head nut covers 11/16" bolt head 27.50 set/50

Fenton Cast Iron Headers

This is the first step for improved performance. These are the traditional favorite for sweet sound, less under hood noise and longevity.

HR-7101 headers for 1933-53 v-8 300.00 pr.

Header Pipes for 1949-51 Passenger Car

These pipes are needed to connect the headers to the mufflers

HR-5245 fenton header pipes 110.00 pr.

Beehive Oil Filter

These filters are beautiful finned aluminum with a painted body and polished lid. Cools while it filters the oil.

HR-6731-BH firewall mounted for all flatheads 230.00 ea.

Beehive Filter Mounting Bracket

HR-6731-BKP painted bracket 12.00 ea.
 HR-6731-BKC chromed bracket 20.00 ea.

Intake Manifolds (Offenhauser)

HR-1075 1949-53 dual intake 250.00 ea.
 HR-1077 1949-53 triple carb. 350.00 ea.
 HR-1078 1949-53 four barrel carb. 275.00 ea.

Holley Carburetor Mounting Plate for Four Barrel

Note: Certain Holley carburetors may be too wide for the 1937-48 engines due to interference with radiator hose outlets.

HR-9750-P mount plate for four barrel intakes 40.00 ea.

Most orders shipped same day!

We accept

Carburetor Linkage Assemblies

Passenger side ball to ball for dual carburetors (no triples).

HR-1004	standard dual rod is 3.5" long	30.00 ea.
HR-1005	dual carb. rod is 7" long	30.00 ea.
HR-1006	dual carb. rod is 9" long	35.00 ea.
HR-1003	single ended rod for accelerator	25.00 ea.

Drivers side linkage (carburetors must have extended throttle shafts on the left side of the carburetor).

HR-2864	standard dual close carbs.	40.00 set
HR-2865	super dual wide spread carbs.	40.00 set
HR-6271	triple/progressive linkage	85.00 set
HR-2866	triple/unison linkage	55.00 set

Small Diameter Air Cleaners for the Dual and Triple Carb. Set Up

These air cleaners have paper filter element, chrome plated and come either louvered or plain. Fits all Stromburg and Ford carburetors with a 2 5/8" opening.

HR-9600-P	plain sides chrome	12.50 ea.
HR-9600-L	louvered sides chrome	12.50 ea.
HR-9600-F	replacement filter element	4.50 ea.

Carburetor Air Scoops

These scoops are polished aluminum. Scoops fit carburetors with a 2 5/8" opening. They are known as velocity stacks.

SC-9600-PA	scoop	24.00 ea.
------------	-------	-----------

Replacement Parts

HR-29217	chrome mallory coil	26.00 ea.
HR-29216	electronic coil 12 volt only	36.00 ea.
HR-25042	points for dual point dist. 2(req.)	8.00 ea.
HR-209	distributor cap	10.50 ea.
HR-309	rotor	4.00 ea.
HR-10400	condenser	6.50 ea.

Oil Pump (new short body 80#)

Less pickup tube.

8BA-6621		155.00 ea.

Exhaust Manifold Gaskets

This is a set of eight. Ford & Merc.

18-9433 1948-53 v-8 8.00 set

Gas Tank Sealer

Stops rust, leaks and corrosion permanently. Resistant to all fuels, including the new phase II oxygenated fuels. Heavily compounded with rust inhibitors. Permanently bonds to all metal or fiberglass tanks. The only sealer on the market approved for use in aircraft.

GTS-05 sealer 27.00 quart

Gas Tank Etch

Will remove light build-up of rust inside of all tanks and will etch the inside of the tank leaving a gray phosphate coating. An excellent preparation for your tank before sealer with the above tank sealer.

TE-01 gas tank etch 12.00 16 oz.

Gas Preservative and Stabilizer

Prevents gum, varnish formation, and corrosion in fuel tanks and fuel systems. One ounce of this product will keep three gallons of fuel fresh for at least three years. Contains no alcohol that attacks some metals. One quart will protect 100 gallons of fuel for three years.

FPS-01 fuel preservative 17.00 quart

Gas Tank Sending Unit and Parts Ford & Merc.

FIREWALL PARTS

Firewall Insulators for 1949-53 Cars

The following firewall covers are made of ABS plastic. A high-tech photoengraving process is used to faithfully reproduce the original chicken track texture that was used on 1949-53 Ford cars. These firewall insulators are complete units ready to install. No holes to drill, a preassembled unit including sound board and insulation. The best available.

48-7001670	firewall cover clip	3.00 ea.
8A-100	1949-50 square hump for trans tunnel	200.00 ea.

Door Window Channel Kits

These kits are complete felt kits for the door glass to run as it rolls up and down. Very nice kits. Each kit has enough parts for two doors or windows.

There are two different styles used by Ford in 1950 and 1951. The major difference to look for is the division bar between the door glass and the vent window assembly. Some have a steel track with a stainless bead and the others have a fabric channel.

**Coupe and Tudor**

8A-45983-2D	1949	front doors fabric division bar	100.00 kit

PAINT AND CHEMICALS

Engine Enamels

These are the highest quality hi-gloss engine enamels on the market.

8A-6000	1949-51 bronze	33.00 quart
FAA-6000	1952-53 orange	34.00 quart
8A-6000-S	1949-51 bronze spray can	15.00 can

Gas Tank Sealer

Stops rust, leaks and corrosion permanently. Resistant to all fuels including the new phase II oxygenated fuels. Heavily compounded with rust inhibitors. Permanently bonds to all metal or fiberglass tanks. The only sealer on the market approved for use in aircraft.

GTS-05	27.00 quart
--------	-------------

Gas Tank Etch

Will remove light buildup of rust inside of all tanks and will etch the inside of the tank leaving a gray phosphate coating. An excellent preparation for your tank before sealer with the above tank sealer. TE-01

12.00 16 oz.

Gas Preservative and Stabilizer

Prevents gum, varnish formation and corrosion in fuel tanks and fuel systems. One ounce of this product will keep three gallons of fuel fresh for at least 3 years. Contains no alcohol that attacks some metals. One quart will protect 100 gallons of fuel for three years.

FPS-01 fuel preservative 17.00 quart

Black Chassis Paint

The finest black chassis paint. Not glossy, not dull, but a very high quality semigloss paint that is the most resistant to chipping, cracking, peeling and salt.

CHPT-01 chassis black quart can 29.00 quart

Miracle Paint

A moisture cured, nonporous paint that bonds to rusted and corroded metals like no other coating. It is rock hard and will not crack, chip, or peel. Impervious to gasoline, laquer thinner, salt and most acids. Can be painted directly over rusted surfaces. Strengthened by exposure to moisture. Can be sprayed, rolled, or brushed.

MIR-PINT pint can 23.00 pint
MIR-QUART quart can 33.00 quart

Paint Stripper

This is great paint stripper in an aerosol can ready to spray.

PR-5000-A paint stripper 11.00 can

High Temperature Paint

The only finish of its type that will withstand 1800° F. Withstands salt, moisture, and virtually all weather conditions.

EMPT-15 aluminum color 27.00 pint
EMPT-14 cast iron color 27.00 pint
EMPT-16 black color 28.00 pint
EMPT-03 stainless steel 1600° F 21.00 pint
